Central Office is preparing the Group Responsibilities list for the coming year. Your group may volunteer for any or all assignments. The list is compiled in a rotation to keep each group's responsibilities to a minimum. This also ensures that all groups have an opportunity to participate. If your group is currently on the list, **we still need you to respond to this letter.**

Please keep in mind that these responsibilities must be kept. If your group signs up for the assignment, you must show up. We are asked to bring Alcoholics Anonymous to these facilities. Let us carry the AA message in the way that it was so freely given to us.

Below are the organizations that have asked for our help.

Please **CIRCLE** which ones your group can serve, and how many times per year you would like to be on
