

So, that's what Central Office does...and how it works with both Intergroup and General Service. These three separate but vital services co-exist in mutual cooperation to benefit the entire Fellowship.

Central Office is supported *ENTIRELY* by group contributions, literature sales, proceeds from Intergroup's Finance committee activities, Area 55 Newsletter subscriptions, as well as individual donations. We need this support on a regular basis to fulfill our mission.

Stop by for a cup of coffee.
We're open Monday - Friday
8am to 4pm...

"Is this service really needed? If it is, then maintain it we must, or fail in our mission to those who need and seek AA."

-Bill Wilson

As an AA member, ask yourself, and ask at your group conscience meeting...Does our group contribute to Central Office on a regular basis? Central Office needs your help to continue to carry the AA message.
